Lester L. Jordan New Commander of Local Legion Post

Lester L. Jordan was elected Commander of Park Post No. 23 of the American Legion at the regular meeting Wednesday evening.

The new commander is a World War 11 veteran, having served with the 51st Armored Infantry of the 4th Armored Division, from 1943 to 1946. After his basic and specialized training, he served in France, Belgium, Luxemberg and Germany. He joined the American Legion soon after his discharge and has been an active Legionnaire and 40 & 8er since. He is the owner of the Yellowstone Taxi company on West Park St. He lives with his wife and two sons, Duane and Charles, at 1204 West Crawford street.

Other officers for 1959-60 elected were: 1st Vice Commander, Ernie Morgan; 2nd Vice Commander, Dr. H. L. Brawner; 3rd Vice Commander, Tom Cassidy; Historian, Herbert Barnham; Finance Officer,B. Kenneth Lovely; Chaplain, Walton Metier; Sgt-at-Arms, M. Levings, Executive Committeemen, Ed Noe and John Michalke. All the new officers will be installed at the June meeting.

State Commander, Dr. J. Paul Campbell and District Commander Archie Coleman were guests at the meting. Commander Campbell told of some new legislation that has been introduced in Congress. He also stated that because of having over 95% of its membership quota, Montana would have a favored position in national convention seating and choice of hotels at Minneapolis. He complimented Park Post and District No. 7 on its fine membership work.

Tentative plans for Park Post's observance of Memorial Day were discussed. Shields Valley Legionnaires again offered to furnish the firing squad and color guard for the observance. It was planned to hold brief services at 8 a.m. at Sacajawea Park for veterans buried at sea, at 8:30 a.m. at Mt. Calvary and at 9 a.m. at the Legion plot and the Civil War Memorial Mountain View.

The Legionnaires greatly enjoyed Miss Cora Dahl's showing of slides and her description of her recent trip to Europe. The Post invited her to return at a later date and show more of her slides.

Commander Don Woolhiser presided at the meeting. A Dutch lunch was served after the meeting.

Hasty's Firestone Store has tires, tubes and can take care of your retreading needs. Phone AC 2 - 2823.

Major J. D. Shadoan Attending National Defense Conference

Major James D. Shadoan of Livingston is now on two weeks active duty attending the National Defense Resources Conference, which continues through May 22 on the campus of the University of Utah in Salt Lake City.

The conference is presented by the Industrial College of the Armed Forces, Washington, D.C., and sponsored jointly by the University of Utah and the Salt Lake Chamber of Commerce.

The two weeks symposium is given to selected reserve officers int he Army, Navy and Air Force, and selected executives of industry and labor. It is a broad presentation which highlights the interrelated civilian-military economic problems inherent in mobilizing our resources for national security. Also attending the conference will be representatives of business, professions, religion, education, agriculture, government and community life.

Principal purpose of the conference is to acquaint both military and civilian leaders with the ebst ways and means to utilize the nation's resources in case of national emergency. During the current academic year, similar conferences have been held in twelve other key cities in the United States.

Major Shadoan, who holds a reserve commission in teh Adjutant General's Corps of the U. S. Army Reserve, is a member of the 6182 USAR Control Group of the X USA Corps, Fort Lawton, Washington. He served at various locations in US and Hawaii for five years during World War II and has remained an active reservist since that time. His home is at 813 West Callender street in Livingston.

RETURN HOME

Mr. and Mrs. William E. Weber have returned to Livingston after spending five months visiting their daughters, Mrs. Irvin Kurtz and family in Seattle, Wash. Mrs. Del Miller in Cottage Grove, Ore., and Mrs. John Morrison and family at Larson Air Force Base, Washington.

Congratulations Graduates

There's Plenty of Power For Your Future

The far-sighted people at Montana Power, who for nearly half a century have been building a better Montana with plenty of power, have helped you prepare for your future. Our planners are constantly improving old facilities ana building and planning new ones to meet the demands of our growing state. During the last ten years we have spent $120,000,000 and plan to spend more in the future to be sure there is plenty of good, dependable power.

LIVE BETTER ELECTRICALLY

Stone quarry owner rates Chevrolet the toughest truck going

"Put a Chevy out there and it stays!"

At the Snyder Stone Quarry, Martinsville, Va., you see Chevrolet trucks of all ages. "They get better every year," Mr. R. G. Snyder says. "My '59's keep going with no downtime for major service . . . moving more material at less cost than any other truck I've had." The grades are steep from quarry to crushing mill, the loads big and punishing. That's why Mr. Snyder specifies Chevrolet. "You never do wear one out. You just get tired of looking at it and get a new one."

The 8403 tandem you see up above is taking on a mountain of a payload. "About 28,000 pounds of granite," Mr. Snyder states. "And it moves over the road like a light truck."

Today you sure can't assume that because a truck is trim-lined and good looking it doesn't work every bit as hard as those old-styled steam rollers. Put a Chevy on your run and see the big difference that precision-engineered chassis components and super-efficient power make. Your Chevrolet dealer will arrange the details.

No job's too tough for a Chevrolet truck! CHEVROLET

Now's the time—see your local authorized Chevrolet dealer for a real truck buy
