OUT OUR WAY

TERE is a pleasant little game that will give you a message every that, it is a numerical puzzle designed to spell out your form. Count the letters in your first name. If the number of letters is six or more, subtract four. If the number is less than els, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers. That exists we have the corner of the rectangle and check every one of your key numbers.
