Duke Is Acquitted of Mosquito Negligence

Mosquito NegligenceBy B. T. L. KLUTTZ

MARION—The famous mosquitosuit of J. A. Bartlett against the
Duke Power Co. on the grounds
that he had suffere with malaria
that he bear mosquitoes bred in
the Duke Power Co. had not been
maken in any way and that
the Duke Power Co. had not been
maken in any way and that
the Duke Power Co. had not been
maken in any way and that
the Duke Power Co.
Not only the fate of Mr. Bartlett \$3,200 uitt was involved but
all discontinuous and the
text of the that
the duke the periodic and
in which all derive periodic and
in which all derive periodic and
they have suffered as a result of
they have suffered as a result of
bred Duken by malarial mosquitoes
bred Duken by malarial mosquitoes
bred Duken by malarial mosquitoes
bred Power Co.
When the jury today found a
verdict in Javo of the defendant
Power Co.
The power of the trial
but the course of the trial
but the course of the trial
but the course of the trial
the course of the trial
the power Co.
The power Co. contended that
the power co.
