The Single-Minded Reds

By Thomas Black

The Communist Party, which is a political organization of communists, has been active in the United States since its formation in 1919. The party is dedicated to the overthrow of capitalism and the establishment of a communist society. It is opposed to capitalism and supports the idea of a classless society.

The party is divided into various factions, including the leadership, the rank and file, and the active members. The leadership is responsible for the political direction of the party, while the rank and file is made up of people who support the party's goals.

The party is known for its advocacy of violent revolution and its involvement in various political activities, including labor unions and political protests.

The party has been criticized for its association with communist states and its support for violent revolution.

The party is currently active in the United States and is known for its involvement in various political activities, including labor unions and political protests.
