Finland Signs Allied Terms

Armistice Made With Russia And
Britain Described As "Hard"

LONDON—(AP)—The Moscow radio announced today that Finland had signed an armistice with Russia and Britain.

The first brief announcement, broadcast by the Soviet Information Office and recorded here by the Soviet monitor, did not give the terms. They will be disclosed later.

A Finnish news agency dispatch to Stockholm from Helsinki said the deputies assembled in a closed meeting at 6:15 A. M. at which time the Government presented a "document" shortly afterward the Parliament passed to the order of the day which, under Finnish Parliamentary procedure.

Reds Mow Nazis Down In Latvia

Gigantic Battle
In Progress

By DANIEL DELUCE
MOSCOW — (AP)—Grinding down German armored reserves at the rate of nearly one panzer division a day, the Red Army has tightened a strangling grip on the enemy's mid-Baltic communication in Latvia in a gigantic five-day battle which may be another fulfillment of Premier Stalin's classic strategy—surround and destroy!

Front reports today indicated there still is no pause in the ferocious engagement begun Friday west of Jelgava, where the main Baltic roads and railways meet.

U. S. PACIFIC FLEET HEADQUARTERS, PEARL HARBOR—(AP)—American drives on Peleliu and Angaur islands in the Southern Palaus gained momentum today as the Japanese showed signs of weakening under the terrific attack which cost them 5,643 dead in the first four days of fighting.

Danes Stage Uprising

STOCKHOLM—(AP)—Danish prisoners battled German naval troops trying to seize the Royal Castle of Amalienborg at Copenhagen today, and Danes and Germans were fighting in the capital and other places where the Danes tried to seize power during the Danish Free Service rebellion. Everything in Hollywood is about the movie "The Battle of Britain" which is expected to be a big success. The movie is about the battle of Britain which was fought in 1940. The movie is expected to be a big success.

LONDON — (AP)—Russian troops have captured a big rail junction 60 miles east of the Gulf of Riga, Premier Marshal Stalin announced tonight.

the past four days. Obviously most of this punishment has been inflicted in the Baltic sector.

The tale of the German Northern Army group, still estimated at more than 100 divisions, may be decided in the next few hours or days if the Red Army fails to break through the line from East Prussia through the Pomerania area to the Baltic coast.

A coastal corridor little more than twenty miles wide now separates the Germans above Riga, with their holding western Latvia and western Lithuania. The Russians once snapped this lifeline by pushing in the line but the Germans re-established it.

At the corridor's narrowest point the Germans are threatening a counter-attack by their armor and tanks to split the German Baltic forces 67 miles northeast of Riga.

Fifth Army Takes Heights In Italy

By NOLAN NORGAARD
Rome — (AP)—Breaking through formidable Nazi fortification and scoring what was officially termed a "great success," American Fifth Army troops yesterday captured 2,500-foot Monte Partino, Monte Alvaro and Monte Celli in the Gothic Line twenty miles northeast of Florence.

The enemy was driven from these heights after one of the fiercest days of fighting in the entire Italian campaign, official field dispatches said.

British and Indian troops under Fifth Army Command contributed materially to the American success by executing flanking movements.

The Germans opposed the attack with extreme concentrations of artillery fire. In one barrage
