Teachers Get 12th Victory At St. Paul's

LAWRENCEVILLE, Va., Jan. 18—Winston-Salem Teachers broke free in a strong offensive attack in the first minutes of play to defeat St. Paul's 88-67, in a conference basketball game tonight.

The Teachers from North Carolina pulled out of an early 2-2 tie and were never headed. They rolled up a 47-33 lead by halftime.

Wilfred Johns, Winston-Salem forward, scored the first two field goals to put his team in the lead and finished the night with 28 points. He also featured a strong backboard game of the visitors, capturing 18 rebounds.

The entire Winston-Salem team clicked well in the victory and all five starters scored in double figures.

Robert Scott, Leroy Fields and Allen Jackson led St. Paul's with 16 points each.

The victory gave Winston-Salem a 12-2 overall record for the season and a 6-2 conference mark.

The Teachers will close a three-game road trip by playing Elizabeth City Teachers at Elizabeth City, N. C., Saturday night.

Atkins Wins 11th Game, 78 to 52

By Luix Overbea
Staff Reporter

With big Eugene Werts sinking 31 points, the Atkins Camels won their 11th straight victory of the basketball season last night as they romped 78 to 52 over the William Penn Tigers of High Point.

It was no contest right from the start as Werts poured in 11 points in the first quarter to give the Camels a 25-12 margin. He sank 10 in the second period to spark Atkins to a 51-28 halftime lead.

He scored 10 more in the third quarter before Coach George Green took him out. Every Atkins man in uniform got into the game during the second half. Theodore Rice, playing his first game as a starter, scored 10 points.

David Archie was still missing from the Atkins lineup because of a bad hand.

Lefthanded Charles Simmons led High Point with 26 points. He was aided by 10 points from Robert Neal.

Atkins had too much height and too much speed for the visitors. The Camels will not see any more action until Jan. 29 when they go to Charlotte to meet Second Ward. Their next home game will be Feb. 1 against Gastonia.

The Atkins Jayvees won a thrilling 48-45 overtime tilt from the High Point Jayvees. George Archie led Atkins with 16 points.

Points for Polio Raises Funds

SAN ANGELO, Tex., Jan. 18 (AP)—Because an oilman, whose son was a polio victim, remembered the way the National Foundation for Infantile Paralysis came to San Angelo's aid during a crisis, basketball is becoming a major source of cash to fight the dread disease.

Charlie Poteet, described by San Angelo Standard-Times writer Grady Hill as a man "who has lots of ideas," thought of using basketball to aid the March of Dimes over coffee one day.

The first "Points for Polio" game was held here in 1954. Another game was held in 1955. Then, last year, a full-scale production got underway with hoop-la and halftime show.

The game works this way:

Companies and individuals pledge so much money for each point scored. Pledges or straight contributions are accepted any time during the game.

The Points for Polio effort this year has Tony Hinkle, Butler University basketball coach and former president of the National Collegiate Basketball Coaches Assn., as chairman.

Kickoff game this season was the Dec. 22 game between Butler and Purdue. It raised $8,000.

Poteet said he and Mrs. Poteet would never forget how the National Foundation came to San Angelo's help in 1949, when 85 patients were under polio treatment at one time.

Equipment and personnel were rushed here from over the nation by the foundation.

Among the patients was Charles H. Poteet Jr., who now has recovered completely.

Gonzales Brings Rosewall to Earth

SYDNEY, Jan. 18 (AP)—Pancho Gonzales brought Australia's Ken Rosewall down to earth with a crushing 6-2, 6-4, 6-0 defeat today in the third match of Jack Kramer's new professional tennis tour which is developing into a gold mine.

A crowd of 10,000, paying more than $20,000, writhed and groaned as the swarthy pro king from Los Angeles, hitting shots like cannon blasts, leveled the little Davis Cup ace in 80 minutes.

Rosewall never had a chance. Although one of the game's finest backcourt tacticians, he was repeatedly caught staring at a whistling Gonzales serve or a drive that knicked the sideline chalk. The last set took just 13 minutes.

The one-sided victory gave the American a 2-1 edge in the series which opened earlier this week at Melbourne. Gonzales won the first match in five sets, but lost the second in three.

Today's receipts upped the gate to approximately $60,000 thus far in the 100-match tour and brought predictions from Kramer that the show would gross $130,000 in the 10 meetings scheduled in Australia and New Zealand.

DOWN AND OUT—Reynolds' Jimmy Manuel sprawls on the floor after catching an elbow in the mouth during a rebounding battle in last night's game with Gastonia. Manuel left the game, but returned to top the Demons' scoring with 14 points. Gastonia triumphed, however, 73-56.

Gastonia Hands Reynolds 5th AAA Loop Loss, 72-56

Gastonia's Green Wave, pulling away late in the first half and early in the second, handed Reynolds High School's Black Demons their fifth straight Western AAA Conference cage defeat, 73-56, last night. Approximately 450 people watched.

It was the third win in five league games for Gastonia. Reynolds now has a 2-7 record for all games, while Gastonia is 7-3.

The Demons, after spotting the Greenies a 6-0 lead, made a close battle of it until midway of the second period, tying the score at 18-18 late in the first period. But Gastonia, hitting on 44 per cent of its shots the first half, surged into a 10-point halftime edge.

At the start of the second half, after Jimmy Manuel's driving layup for Reynolds, Gastonia scored 11 points to the Demons' single basket. That made the spread an insurmountable 17 points—which was the final margin.

Jimmy Summey, a 5-8 junior guard, poured in 24 points to spark Gastonia. He also gathered a lion's share of his team's rebound collection with alert, aggressive maneuvering. Three of his teammates also scored in double figures.

Jimmy Manuel, Jerry Evans and Tommy Smith paced Reynolds pointmaking with 14, 12 and 11 points repectively. Fred Fowler was the game's top rebounder.

Children's Home Cagers Split Bill With Spencer

By Mary Garber
Staff Reporter

Children's Home and Spencer split a North Piedmont Conference basketball doubleheader at the Home gym last night. The Home girls won, 49-39, but Spencer boys took the second game, 44-30.

It was the third conference win in a row for the Methodist girls against two league defeats. Spencer girls have won one and lost four.

Sarah Bridges and Jean Clary sparked the Home offense in the first half as the Blues ran out a 24-14 halftime lead. A stout defense by Home guards Betsy Carpenter, Peggy Adkins and Mary McKinney held the Spencer forwards to four field goals in the first half.

Bridges and Shirley Dixon were high scorers for the Home. Susie Sherlin led the Spencer offense with 19.

Fouls hurt the Home boys. They outscored Spencer from the floor, 14 field goals to 13 but Spencer more than made up the difference from the free throw line. Spencer had 20 points on free throws.

The Methodists were charged with 19 fouls against 10 for Spencer.

Both teams shot poorly from the floor. There wasn't a field goal for the first three minutes, but finally Carl Hunt hit a set shot from outside Spencer led 8-4 at the end of the first period on the basis of their free throws.

Spencer made 10 free throws count in the second period to stretch their advantage to 22-12 at halftime. The Home never came close after that.

Spencer had a big edge in height and used it well but the shorter Methodists scrapped all the way. Roy Byrd did an outstanding job on rebounds despite the fact he was at least four inches shorter than his opponents.

Jack Mitchell topped the scoring for the Home with 14 points. Carl Hunt had eight. Jim Nichols and Don Sebastian led the Spencer scoring.

The victory gave Spencer a 3-2 conference record and made the Home's conference mark, 2-3.

Sub's 45-Foot Hook Shot Wins For Princeton

PRINCETON, N. J., Jan. 18 (AP)—A substitute guard sank an incredible 45-foot hook shot without looking in the last second of an overtime period tonight to give Princeton a 61-59 victory over Dartmouth.

Artie Klein, a substitute guard from Malverne, N. H., took an out of bounds throw-in and without glancing looped the winning basket as the gun sounded. The victory kept Princeton in the Ivy League lead with a perfect 4-0 record.

Klein's shot came after Dartmouth had frozen the ball three minutes in the overtime stanza. Klein himself had set up the tie with two foul shots that evened the Tigers with Dartmouth 59-all.

Dartmouth's Larry Blade had sent the game into overtime with a free throw in the last 15 seconds of regular play to knot the score 55-55.

Phillies Broaden Scouting Policy, Add 2 Farm Clubs

PHILADELPHIA, Jan. 18 (AP)—General Manager Roy Hamey has announced a new and broader scouting policy, plus two new farm clubs for the Philadelphia Phillies.

Hamey and farm director Gene Martin explained the new set up yesterday at a meeting of almost all the club's scouts. Martin disclosed the Phillies have added Tulsa of the Class A Texas League, and Lewiston, Idaho, of the Class B Northwest League, to the system.

"It became necessary to enlarge every part of our farm system," Martin said. "Last year we signed 94 players. We concentrated only on boys we thought had a chance of making the grade all the way to the majors.

"Our job is to build the farm system as there will be an annual promotion from one class to a higher one with, we hope, four or five youngsters ready for the majors."

The Phillies have transferred some of their minor league affiliates because of dwindling interest and inadequate facilities in some areas. The Wilson (N.C.) club in the Carolina League was moved to High Point-Thomasville, N. C.; the Tifton, Ga., club went to Moultrie, Ga., and the Mattoon, Ill., team in the Mississippi-Ohio Valley League, to Tampa in the Florida International League.

Betsy Rawls Equals Par To Take Lead at Tampa

TAMPA, Fla., Jan. 18 (AP)—Defending champion Betsy Rawls equaled par 73 despite cold weather and shifting winds today to move into the lead at the halfway mark of the $5,000 Tampa Women's Open Golf Tournament.

Shooting 148 for the first 36 holes, the Spartanburg, S. C., professional had a two-stroke margin over Louise Suggs and Patty Berg, both former winners here who have had identical rounds of 75-75—150.

Fay Crocker, first round leader with 72, started poorly today and never recovered. She was one over par on the first hole and two over on the second when she got in a trap and took three putts. She shot an 84 and was tied for seventh with 156.

Other leaders were Kathy Cornelius and Betty Dodd, tied at 153; Marlene Hagge, 155; and Marilyn Smith and Betty Jameson, 156.

Betty Kerby of St. Petersburg stayed in the lead among the amateurs with 79-83—162.

Putting was the decisive factor again today on the 6,066-yard Palma Ceia Course.

On the ninth hole, Miss Berg just missed a putt which would have given her the lead and took a par 5, while Miss Rawls shot a birdie 4.

Miss Rawls birdied the 10th hole to go ahead and gained another stroke on the 18th by sinking a 80-foot putt for another birdie.

Miss Suggs pulled even with Miss Berg on the 16th when Miss Berg missed a 4-foot putt that would have given her a par. Miss Suggs saw three putts stop right on the lip of the cup during the day.

Marge Burns of Greensboro, N. C., disqualified herself, after finding she had been credited with a 4 on one hole yesterday when she should have had a 5.

Warriors, Celtics Win NBA Games

BOSTON, Jan. 18 (AP)—Bill Sharman tossed in 33 points, Bob Cousy 27 and rookie Bill Russell 25 as the Boston Celtics went on their highest scoring spree of the season in defeating the St. Louis Hawks, 126-117, tonight in the second game of a National Basketball Assn. doubleheader at the Boston Garden.

Jack George's jump shot from 16 feet out with 16 seconds remaining gave the Philadelphia Warriors a 96-94 victory over the Syracuse Nationals in the opener before an 11,763 crowd.

The combined efforts of Sharman, Cousy and Russell offset another tremendous output by St. Louis' Bob Pettit, who connected for 14 goals and 10 of 12 free throws for 38 points in the free-scoring affair.

Sharman scored on 10 of 17 attempts from the floor and 13 straight tosses from the foul line. Cousy hit on 10 of 20 field goal attempts and seven of nine free throws.

Russell, the former 6-10 All America from San Francisco and Olympic star, enjoyed his finest offensive night as a pro. He scored 10 baskets in 15 attempts and converted five of seven free throw attempts — his weakest department. He also grabbed 20 rebounds.

The Celtics, the NBA's Eastern Division leaders, led all the way. At halftime, the score was 59-56. The Celts then boosted their lead to 96-85 by outscoring the Hawks by a 37-29 margin in the third period.

Both teams gave a fine performance in shooting. The Celtics connected on 44 of 104 attempts from the floor and the Hawks 45 of 98. Pettit hit on half of his tosses, while Slater Martin had nine of 19 and four for five from the foul line for 22 points.

George's field goal capped a fine comeback which enabled the Warriors to move into second place ahead of the New York Knicks in the NBA's Eastern Division. Philadelphia has a 22-19 record, New York 20-18.

Paul Arizin and Neil Johnston again were the big guns in the Philadelphia attack. Arizin had 33 points, Johnston 21.

The Warriors trailed 88-80 with six minutes remaining, but then scored nine straight points to go ahead. They held the lead until Dolph Schayes deadlocked the count at 94-all with a minute left. George then came through with his winning basket.

Syracuse outscored Philadelphia 40-35 from the floor, but the Warriors converted 26 of 28 shots from the foul line. George missed on his free throws, while Arizin failed to convert after the final bell. Arizin had connected on 13 straight in regulation time.

Schayes led the Nats in scoring with 21 points. Bob Harrison had 18, all but four in the first period, while Earl Lloyd had 14.

Sawchuk Mum On Retirement

DETROIT, Jan. 18 (AP)—Scowling one minute and smiling the next, controversial Terry Sawchuk came home today while his abrupt retirement from big-time hockey remains unsolved.

The Boston Bruin goalie, three times the Vezina Trophy winner as the National Hockey League's finest goaltender, gave just one clue to newsmen who gathered to meet his early-morning train from Boston:

"Sickness has nothing to do with my retirement,"he said. "Can't a guy quit a game?"

The origin of Sawchuk's split with the Boston club was known only to the club, to the 27-year-old goalie and possibly to a few of his closest friends. Sawchuk called a press conference for Monday noon at his home, but made no promise to reveal anything pertinent.

"Give me a couple of days," he said, "and I'll give you some kind of a story."

The crew-cut veteran of seven NHL campaigns offered no explanation of his decision Tuesday to quit hockey, followed quickly by a life suspension by Milt Schmidt, Boston coach.

Hammond Tops Small College Scoring Leaders

NEW YORK, Jan. 18 (AP)—For seven consecutive years a Western basketball player has been the small college individual scoring leader, but this season it's an all-East battle.

Statistics released today by the NCAA Service Bureau show Ken Hammond of West Virginia Tech pacing a trio of Easterners — Southern variety — who are averaging more than 30 points a game. Hammond is averaging 35 points in games through Jan. 12. Jack Sullivan of Mount St. Mary's is second with 32.9, and Joe Miller of Alderson-Broaddus is at 32.4.

West Virginia Tech, with a 14-1 record, is continuing its three-year domination of the team offense lead. With a 102.5 a game mark, Tech is well above its closest pursuer, Baldwin Wallace, which has a 91 average.

The team defense title remains up for grabs with S. F. Austin State low at 51.2 points scored against a game. McNeese State trails by a tenth of a point. Creighton is a little father back at 51.6.

In other team departments, Alderson-Broaddus is the field goal percentage leader, and Colby heads the free throw percentage crew.

The scoring leaders:

Player, Team	G	FG	FT	Pts.	Avg.
1. Ken Hammond, West Va. Tech	12	132	116	420	35.0
2. Jack Sullivan, Mount St. Mary's	8	95	73	263	32.9

W. & L. Beats GW

LEXINGTON, Va., Jan. 18 (AP)—George Washington's Colonials hit on just one field goal in the first 13 minutes here tonight and Washington and Lee took advantage of the opportunity to build a 21-point lead and coast to an 84-57 Southern Conference basketball victory.

Ford Has Mumps

NEW YORK, Jan. 18 (AP)—Whitey Ford, star pitcher of the New York Yankees, is missing most of baseball's pre-season banquet activities.

The lefthander is confined to his home at nearby Glen Coe with the mumps.

Tiger Jones Wins Fight Decision

CLEVELAND, Jan. 18 (AP)—Ralph (Tiger) Jones, Yonkers middleweight, tonight won a unanimous 10-round decision over Hardy (Bazooka) Smallwood of Brooklyn in a nationally televised boxing match. Jones weighed 156, Smallwood 158½.

Jones, a 4-1 favorite over his less-experienced foe, won easily as expected. Under the five-point-must per round scoring system, Judge Herb Williams had him on top 50-42, Judge Charles Bill scored it 49-41, and Referee Tony Labranche gave it to Jones by 49-42. The Associated Press card had Jones the victor by 49-43.

With the temperature around zero, only 1,005 paying customers turned out for the fray, paying a gross of $1,872. The fight was a substitute for the scheduled championship scrap between welterweight title-holder Carmen Basilio and Johnny Saxton, which was postponed to Feb. 22 because of an injury to Basilio.

There were no knockdowns, but Smallwood's face was a bloody mess from the third round on. Claret flowed from his battered nose and a cut near his left eye, while Jones had a slight forehead abrasion to show for the scuffle.

Old-Timers Set Charity Game

ST. PETERSBURG, Fla., Jan. 18 (AP)—Some of baseball's great old timers, reinforced by a few modern topnotchers, will play their second annual March of Dimes benefit game tomorrow.

The available players — mostly those living or vacationing in this area—will be divided into American and National league teams, roughly according to their playing day status. In last year's game, won by the American League, there were a few changes to even up weak positions.

Zack Taylor, manager of the American League, said he expects to start Johnny Allen, former New York Yankee pitcher. Taylor, who caught for Brooklyn and the Chicago Cubs and managed the old St. Louis Browns, will catch.

National League Manager Freddie Hutchinson, present St. Louis Cardinal manager, plans to start Dazzy Vance, the Hall of Famer and ex-Brooklyn fireballer, on the mound with George Susce Sr., who played for Pittsburgh and the Phillies among others, catching.

Other likely starters, with positions not definite, are:

AMERICAN LEAGUE — Earl Torgeson, Billy Klaus, Bobby Kline, Ford Garrison, Hoot Evers, Billy Goodman and Heinie Manush.

NATIONAL LEAGUE — Danny Litwhiler, Edd Roush, Paul Waner, Johnny Cooney, Don Zimmer, Billy Seal and Hutchinson.

In reserve the American League has such big names as Bucky Harris, Spud Chandler, Wes Ferrell, Rick Ferrell and Mickey McDermott. The Nationals can call on Max Lanier, Ewell Blackwell, Johnny Vandermeer, Lew Burdette, Rip Sewell, all pitchers, but may need American League help for reserve fielders.

A three-run homer by Evers was the big blow in the American League's 8-4 victory last year. Wes Ferrell was the winning pitcher, yielding two hits and two runs in two innings.

Trade Winds Blow, But Go Nowhere

By The Associated Press

Major league baseball clubs continued to put their houses in order yesterday while trade winds still were blowing — but going nowhere.

Five players signed contracts for 1957, the Philadelphia Phillies added two farm clubs and General Manager Frank Lane of the St. Louis Cards, who'll pick up anyone at the drop of a player, denied that Alvin Dark was on the market. And the Pittsburgh Pirates gave up in a try for a deal with the Chicago Cubs.

Gerry Coleman of the New York Yankees came to terms for a reported $18,500. He hit .257 in 1956 while performing as a utility infielder. Smoky Burgess, slugging catcher of the Cincinnati Redlegs, also returned his signed contract as did pitchers Dave Newkirk, Jack McMahon and Ed Monahan of the Kansas City A's.

The Athletics, however, were unable to corral Virgil Trucks, the veteran righthander who was obtained in a deal with Detroit last month. Trucks returned his contract unsigned for the second time.

The Phillies, in the process of enlarging their farm system, added Tulsa of the Class A Texas League and Lewiston, Idaho, of the Class B Northwest League.

The Cards' Lane is expected to talk trade with the Cubs over the weekend and with the Phillies next week. Meanwhile, he said that Dark, the club's regular shortstop, was coveted by several other National League clubs.

"I received three offers for him a month ago," he said. Lane named the New York Giants, who dealt Dark to St. Louis last June, the Cincinnati Redlegs and the Phillies as having made bids.

General Manager Joe L. Brown of the Pirates said efforts have been abandoned to make a player deal with the Cubs involving Pittsburgh outfielder Lee Walls and Chicago second baseman Gene Baker.

Brown said he had been discussing the possibility of a trade with the Cubs for several weeks, with Walls and Baker as the principal players, but could make no satisfactory arrangement.

In other news, baseball commissioner Ford Frick received Jackie Robinson's letter of retirement and the Brooklyn star was formally placed on the Dodgers' voluntary retired list . . . Whitey Ford, the Yankees' ace southpaw, came down with the mumps and Carl Sawyer, former Washington Senators' infielder and clown, died. Sawyer was 66 years old.

Tribe Beats VPI

Hanes Juniors Win

Canadian Court Awards Lions $6,900 Judgment

TORONTO, Jan. 18 (AP)—The Ontario Court of Appeal ruled today in favor of the Detroit Lions of the National Football League in their legal battle over the services of quarterback Tom Dublinski.

The court awarded the Lions $6,900 damages against Dublinski for breach of contract.

The Lions had appealed a dismissal ruling by Chief Justice McRuer of the Supreme Court of Ontario, who denied their $10,000 breach-of-contract action last July.

The Detroit club sought a declaratory order entitling it to an injunction prohibiting Dublinski from playing with any other team for a year. The period for which the injunction would have been valid ended May 1, 1956, however.

Dublinski played for the Toronto Argonauts of the Big Four Football Union in 1955. He missed the entire 1956 season with the Argunauts because of injuries.

The $10,000 asked by the Lions represented the amount the club said it had to pay the Washington Redskins for Harry Gilmer, a quarterback substitute for Dublinski.

Dublinski signed with Detroit July 23, 1954, and his contract, which ran until May 1, 1955, carried an option clause which the club claimed it exercised in March, 1955. In dismissing the Detroit action last July, Chief Justice McRuer ruled the so-called option clause was not an option in itself, but merely gave the club the right to renew Dublinski's contract.

Dublinski said recently he has been asked by Coach Buddy Parker of the Lions to come to Detroit to listen to a Detroit offer for the 1957 season. At the time Dublinski said he planned to hear Parker out, though he gave no indication he would accept.

Dublinski's contract with the Argonauts, reported to have been for $17,500 for each of the two years he was in Canada, also carried an option clause covering the 1957 season.
