Ike, Johnson Shake Hands After Meeting.

### After Ike Breakfast

## Johnson To Back Increase In Aid

WASHINGTON (AP)—Senate Democratic leader Lyndon B. Johnson said today he will support an increase of about a half billion dollars in new foreign aid appropriations.

### The Texas Democrat made this announcement after an hour-long breakfast meeting with President Eisenhower. It was the first time they met privately with no others present.

Johnson said he told the President he was prepared to support a "substantial increase" over the 2 1/2 billion dollars in new aid money voted by the House.

Asked to elaborate on the amount he would support, Johnson told newsmen it would be "in the neighborhood of a half billion dollars" above the House figure.

### MUCH CONCERNED

He said the President was "very much concerned" with getting adequate funds for the mutual security program, and added: "I've been concerned about it for some time."

Eisenhower has voiced hope the Senate will vote the full \$3,367,000,000 provided in the authorization bill passed previously by the House. The President also has said he hopes senators will make the best deal they can in reaching agreement with the House on a final figure.

The authorization measure merely fixed spending ceilings for the aid program. Actual appropriations now are being considered by the Senate.

### AFTER BREAKFAST

Eisenhower accompanied Johnson to the door of the White House's north portico after their steak breakfast. Newsmen thought they heard the President tell his guest: "Thanks a million."

Eisenhower's supporters were reported willing to compromise on a hike of about a half billion dollars.

## Alcoa To Continue Search For Ores

By J. A. DALY  
Charlotte News Staff Writer  
Aluminum Corp. of America authorized today an announcement that it will continue its search in the Carolinas for alumina ores though extensive investigations so far have failed to disclose deposits regarded as justifying construction of a processing plant.

This was the first disclosure by Alcoa of its primary interest in the Carolinas for alumina investigations being conducted by Piedmont Properties Inc. based at Spartanburg, S. C.

The field work and laboratory operations at Spartanburg by Piedmont Properties have attracted much interest among industrial, financial and commercial circles of the Carolinas, especially through the past two years.

## Anti-Mixing Court Order Requested

By JOHN JAMISON  
Charlotte News Staff Writer

A group of parents seeking to block desegregation of city schools succeeded this morning in having the school board ordered into court.

Under an order signed by Resident Judge Hugh B. Campbell, the board will have to come to Superior Court Thursday at 2 p.m. to show cause why it should not be restrained from admitting four Negro children to white schools.

The restraining order, if issued Thursday by Judge J. Will Pleas Jr., will delay integration until the entire matter can be heard by a jury at some future date.

### 21 PLAINTIFFS

The plaintiffs, "parents of white pupils duly enrolled" in Central and Harding High Schools, and Piedmont and Alexander Graham Junior High Schools, indicated they believe a jury hearing cannot be scheduled prior to the opening of school Sept. 4.

Barkeley said this morning he does not feel the plaintiffs have a legal footing on which to act.

"However, the board will comply with any order the court sees fit to issue."

The City School Board announced on July 23 its decision to admit five Negro children to formerly white schools. The number was later reduced to four when one of the children moved to a different neighborhood.

### REASONS GIVEN

The petitions of the 21 white parents gave the following reasons for asking for the restraining order:

"There has never been any intermixing of white and Negro pupils."

"Effective operation of such public schools is so closely entwined with the customs, ideas and beliefs of the parents, teachers and pupils in each community that such schools cannot be operated effectively and properly without due regard to and in substantial conformity with such customs, ideas and beliefs."

### NAMES LISTED

The petitions were filed by attorney Parker Wheldon in behalf of Mr. and Mrs. M. H. Lowe, Mr. and Mrs. J. F. Neal, Mrs. J. Reid, Mr. and Mrs. James J. Ross, Mr. and Mrs. T. B. Bowen, Mrs. W. J. Polk, Mr. and Mrs. E. A. Horst, Mrs. J. P. Reid, Thomas L. Hughes, C. W. Taylor, Mrs. Walter Cohn, Mr. and Mrs. W. E. Doster, Dr. J. Markham, K. S. Markham, and William O. Dowdell.

## Ike To Get Anti-Flu Shot

WASHINGTON (AP)—President Eisenhower will receive a shot of the flu vaccine today at the White House said a spokesman in contact with at least two persons believed to have been struck by the disease.

Inoculation was advised by Dr. Leroy E. Burney, U. S. surgeon general, who said persons with a history of heart, lung ailments are more likely than others to suffer side effects from the disease.

Eisenhower had a heart attack in September, 1955.

The supposed sufferers from Asiatic flu who have been in contact with the President are Dr. Gabriel Hauge, an economic adviser, and Thomas Craven Jr., a newsreel photographer.

White House press secretary James C. Hagerty said Hauge was the President Wednesday, immediately after returning from a trip to Buenos Aires. On Thursday, Hauge was stricken with illness.

Craven, who became ill last Wednesday, had been with a group of photographers making pictures of the President in his office early last week.

Both cases have been tentatively diagnosed as Asiatic flu although a final decision must await laboratory tests. Neither Hauge nor Craven is seriously ill.

# Way Clear For House Action On Rights Bill

Army Specialist William Girard, left, talks with legal advisor Maj. Stanley Levin.

## Girard Denies Jap Charges Of Luring Woman To Death

MAEBASHI, Japan (AP)—William S. Girard today denied Japanese charges that he lured a woman brass scavenger to her death on a U.S. firing range.

Japanese prosecutors entered a new accusation that the Army specialist from Ottawa, Ill., shot an empty cartridge case fired from his grenade launcher killed Mrs. Naka Sakai Jan. 30.

"The facts in the indictment are not correct," the 22-year-old GI told the three black-robed judges as his trial on a manslaughter charge opened in the Japanese District Court here.

In a brief statement Girard told the court Mrs. Sakai's death "was an accident as far as I'm concerned and I'm sorry it happened."

The prosecution charged that he threw out empty shell casings to entice the scavengers onto the firing range, then shot at them.

DISMISSAL SOUGHT  
This argument originally had set off considerable congressional and press criticism in the United States of the Army's decision to let Japan try Girard. The U.S.

Supreme Court finally upheld the Army action, ruling that a Japanese trial would not violate the soldier's constitutional rights.

Presiding Judge Yuzo Kawachi said he would not rule on the jurisdiction issue until all the evidence in the case is heard and "the final decision is given." This is expected to be in late October or November, Hayashi said this was agreeable to him.

ADJOURNED TO SEPT. 6  
In accordance with the Japanese custom of extended recesses between sessions, the trial was adjourned after today's hearing until Sept. 6. It will then move to the Sonagahara firing range where the fatal shooting occurred.

The trial opened in a steaming hot little courtroom into which were jammed more than 90 people, including 35 spectators chosen by lot and 42 reporters. Heavy curtains were drawn across the closed windows to prevent photographing into the courtroom.

More than 1,000 Japanese and about 250 newsmen photographers, newsmen and television men milled around outside the courthouse. Some of the Japanese carried such slogans as "Keep Girard under Japanese custody."

"Show the world, give Girard a strictly fair trial" and "Judge! Don't disgrace the pride of the Japanese people."

## Police Break Up Battle Among Chinese Villagers

TAIPEI (AP)—Quick police action has prevented a sea battle between two Pescadore Island villagers which have been feuding over quarry rights to a nearby island.

Chinese news dispatches from the area gave this account:

The six-year-old squabble took a sharp turn Aug. 10 when inhabitants of Shangkong beat up a Hunglo villager who had sailed for the disputed isle to get in a little digging.

Tempers flared still higher the following week when two more Hunglo villagers were roughed up.

Enraged Hungloites mobilized a junk and set sail for Shangkong armed with stones and clubs. They challenged Shangkong villagers to a sea battle and the latter accepted.

But before the fight got started, police boarded the boats from Hunglo and cordoned off Shangkong.

## 4 Railroaders Die In Crash

ATLANTA (AP)—A freight train and a work train crashed at the Southern Railway's Indian Yards today, killing four men and seriously injuring another.

Johnnie Reed of Greenville, S. C., was taken to a hospital suffering from chest and back injuries.

Four of the men, including the injured man, were taken from the scene and firemen stood by watching a ruptured gasoline tank car, directly in front of the car on which the men were killed.

## 10-2 Vote Ends Long Deadlock

WASHINGTON (AP)—The House Rules Committee today voted 10-2 to clear the long-blocked civil rights bill for House action.

The committee vote overrode Chairman Howard W. Smith (D-Va) and Rep. Colmer (D-Miss) last-ditch opponents of the compromise measure, and paved the way for House action expected tomorrow.

Speedy House passage is expected for the measure which had been bottled up in the Rules Committee since Senate passage Aug. 7.

MEETING FORCED  
The meeting of the Rules Committee was forced by seven members because Chairman Smith had refused to call a session of the committee.

Under House rules, a majority of a committee can force a meeting when the chairman does not call one.

The committee voted to clear the measure in the compromise form approved by congressional leaders of both parties last Friday.

Then it will be up to the House whether to go along with the committee's decision.

APPROVAL SEEN  
If that happens, as expected, then the Senate is expected to agree to the compromise bill, and send it to the White House. It would become the first civil rights law since Reconstruction days.

Smith announced that Rep. Madden (D-Ind.), a supporter of the bill, will handle it on the House floor. Smith said:

"The committee wanted it assigned to somebody who favored it. When the bill comes up in the House, debate will be limited to one hour."

## Billy Says Teen-Agers Love-Hungry

NEW YORK (AP)—Billy Graham said today that every teen-ager in New York that went wrong that I've talked to says he was hungry for love."

The evangelist made the statement before a capacity audience of 19,200 at Madison Square Garden last night. He urged parents in the crowd to give their children love, understanding and the example of "a good, honest, clean life."

The program had been billed as "Teen Night," and Graham directed most of his talk to teen-agers. There were a substantial number of them in the audience.

Graham said that when the hero of the Old Testament went to the wicked city of Babylon he did the right things, because his parents had taught him spiritual values. Graham said Daniel's parents "had taught him to pray and to obey God."

Graham said present-day parents, like Daniel's, must lead their children in the right paths to keep them from delinquency. "Most young people," he said, "make life's greatest choices in their teens."

FBI TO PULPIT  
WATERTOWN, N. Y. (AP)—An FBI agent who holds a degree in theology resigned yesterday to begin study for the Baptist ministry because of a conviction of "the need for counseling in a religious setting." William E. Deitchler, with the Bureau since 1951, is married and the father of three children.

## Evening Prayer

O most loving Father, who wiltest us to give thanks or all things, to dread nothing but the loss of thee, and to cast all our care on thee, who carest for us: Preserve us from faithless fears and worldly anxieties, and grant that no clouds of this mortal life may hide from us the light of that love which is immortal, and which thou hast manifested unto us in thy Son, Jesus Christ, our Lord. Amen.
